Decentralised

Decentralized marketing is built with an automated contract that gives you maximum security and stability. A Smart Contract is an automatic execution algorithm. It exists within the Block Chain, The number one Cryptographic Currency among those with which Smart Contracts can be Created.

Smart Contracts, like Crypto currencies, are Decentralized. They work strictly according to the underlying program, without the possibility of subsequently changing the defined execution. The code that contains all the logic of the contract expiration is on the Block chain and all calculations are provided by millions of computers around the world. This ensures that there is no risk of hacking into the smart contract and stopping the project.

Four Types Of Income

One Working Income

UNIVERSE U3 Plus

Three Non Working Income

UNIVERSE U5

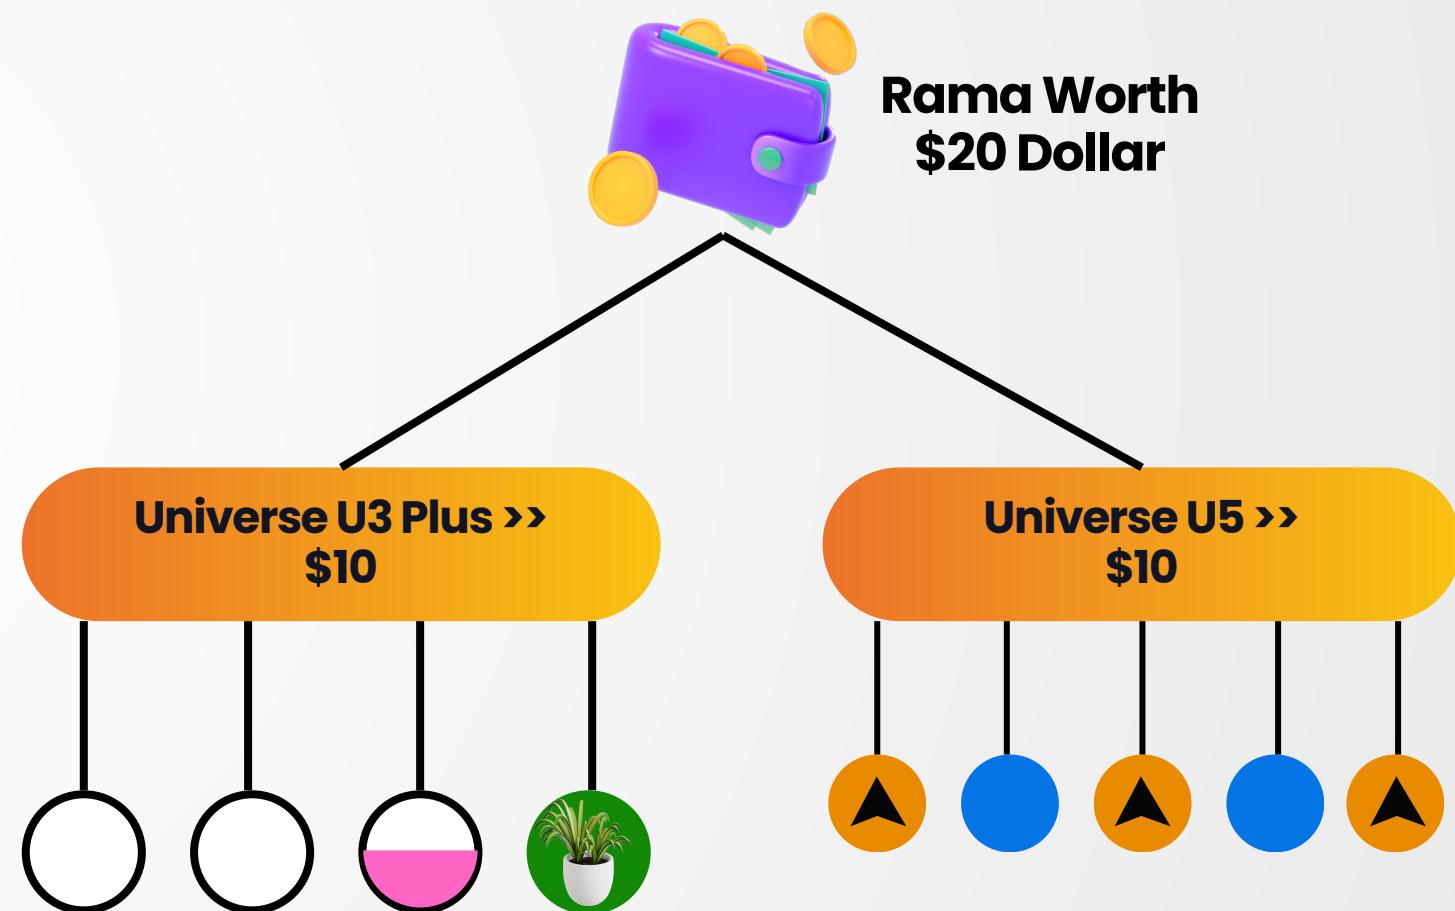

UNIVERSE U4

UNIVERSE U3 Premium

Registration

Registration in Universe costs \$20 worth RAMA Coin. Which instantly results in \$10 worth RAMA Coins in both the working U3 Plus and non-working U5 matrix. The U3 Plus has four seats, and the U5 has five.

- In U3 Plus, you can upgrade all slots at once or as many slots as you want.
- In U5, all slots are upgraded one by one 100% automatically.
- You can purchase all further slots separately in U3 Plus, in order from the smaller to the larger.
- It is impossible to buy a third slot without having a second open.

Universe U3 Plus (Working)

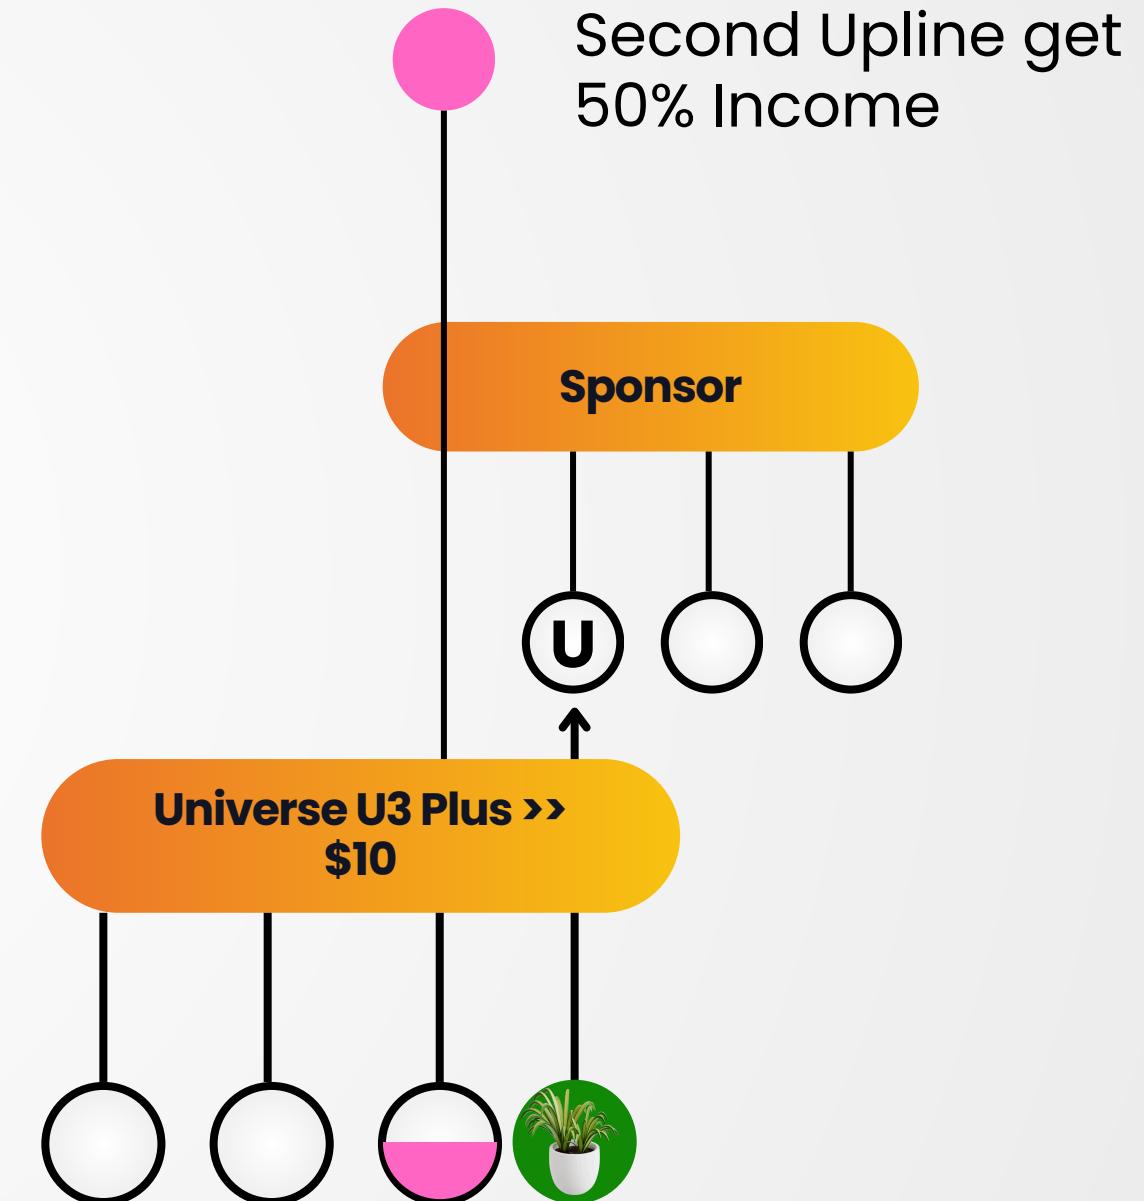

The Universe U3 Plus has a total of 10ths slots. All partners in your slots of the Universe U3 Plus program are your personally referral partners. When you invite partners, they take places under you. The distribution of payments when filling out the matrix automatically occurs as follows:

- In U3 Plus, 100% of the first position RAMA Coins are in your wallet, and some of that RAMA Coin goes to auto-regenerate your new ID.
- Even 100% of the second place RAMA Coin in U3 Plus comes to your wallet instantly.
- Third place in U3 Plus also gets 50% RAMA Coins to you and 50% RAMA Coins to your sponsor's sponsor. There is no income for the second upline in the first slots.
- Your new ID is auto generated under your sponsor by auto Re-Invest in every single slot from 4th position U3 Plus and 100% of the \$RAMA Coin are given to your sponsor or upline and from this your same slot again opens, so that you can make more new referrals.

In this way, you can earn RAMA Coins again and again from every slot.

RE-INVESTMENT opens the same slot for you again, and you continue to receive income from it.

.Reopening the slot, you take the next free place in your sponsor's slot. Accordingly, 100% for reinvestment is transferred to your sponsor.

Re-Invest

- In U3 Plus, when you sponsor on 4th position, then the current slot is full, and after re-investment, it re-generates your new ID under your sponsor. The same slot opens again for you with vacant places, and 100% of the RAMA Coins go to your sponsor's or upline's wallet.
- Auto Re-Invest opens the same slot for you again and again, so you can earn RAMA Coins repeatedly.
- This way, your referrals will also be auto re-invested, and you can earn RAMA Coins every time.

Upgrade System

- To get the income of the next slot, you need to upgrade the next slot only once.
- When you upgrade, your sponsor or upline gets 100% of the RAMA Coins, provided that your sponsor upgrades the slot.
- Whenever you upgrade a slot, your referral partner will take a place below you in the next re-invest cycle and continue with every re-investment.
- If you don't upgrade after re-investing in the first cycle of U3 Plus, your U3 Plus income will go to the System.
- Re-investment of every slot and cycle is done automatically.
- You decide whether to purchase the next level slot!

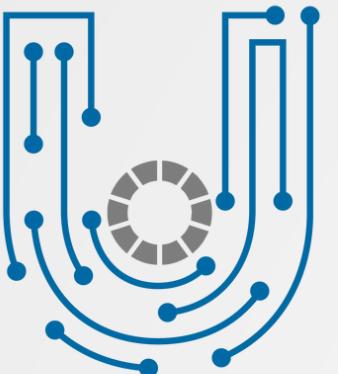

LOST PROFIT

The RAMA Coins that you were supposed to receive but did not due to not upgrading to the next slot will go to your sponsor or upline.

EXTRA PROFIT

You can get the RAMA Coins that your lower partner was supposed to receive but didn't upgrade to the next slot.
